

# SYRACUSE SCENERY & STAGE LIGHTING CO., INC.

## SEPTEMBER 2021 PRICE LIST

## ETCP RECOGNIZED EMPLOYER

Syracuse Scenery & Stage Lighting Co., Inc. has been a strong supporter of the ETCP - Entertainment Technician Certification Program, developed and operated by PLASA, the worldwide organization for the entertainment industries. Syracuse Scenery participated in the development of the program, three of its employees were among the first group of certified riggers, one among the earliest of certified electricians. The company was one of the earliest ETCP Recognized Employers and has continually maintained the recognition as an employer who has made a commitment to the enhancement of safety and reduction of risk in the workplace. Currently Syracuse Scenery employs four - ETCP certified riggers and one - ETCP certified electricians with additional certifications in process.

## PROJECT SIZE AND SCOPE

Syracuse Scenery & Stage Lighting Co., Inc. works on ALL SIZE projects, from the fabrication of a single curtain to million dollar complete theatrical projects including motorized rigging, dimming, lighting, tracks and curtains. Installation work is performed mainly on the United States East Coast. Syracuse Scenery curtains perform on and grace stages throughout the world.

## BRIEF HISTORY AND RESOURCES

Syracuse Scenery & Stage Lighting Co., Inc. has one of the longest histories of companies in our industry. The company was started in the 1920's and was incorporated in New York State in 1967. The current company owner began working for the company in 1971, became a minority stock holder in 1978 and became the company president and sole stockholder in 1984. The company owns and operates from its 25,000 square foot building in Liverpool, NY. The company owns a fleet of vehicles and equipment required to perform installations and manufacture stage curtains.

## SERVICES OFFERED

### \* Design and Specifications

Syracuse Scenery will work with you, your architect or consultant to provide specifications, load ratings, samples and budget pricing.

### \* Safety Inspections

Safety inspections are conducted by ETCP Certified Riggers. Prioritized observed deficiencies are listed in the report together with recommended remedies where required.

### \* Training

Training in the use of theatrical equipment is a prime responsibility for systems owners. Syracuse Scenery offers training in all types of theatrical rigging and lighting systems.

### \* Renovation

Today's standards call for equipment and furnishings that are designed for safer and more efficient operation under modern loads and conditions.

### \* Repair

Syracuse Scenery provides a depth of knowledge to perform repairs in the most satisfactory manner.

## EMPLOYEES

Syracuse Scenery & Stage Lighting Co., Inc. employees are EXPERIENCED!! Our project management team has over 100 years combined experience. Our 26 full-time employees work as a team to achieve our renown project success - on time and to specifications.
